FOREWORD

These pages are for the ones who wonder at times what they are doing when they aren't doing anything, and what they look like when they are doing something. In them we have tried to express the memories of "Our Fondest Yesterdays".

OUR DEDICATION . . .

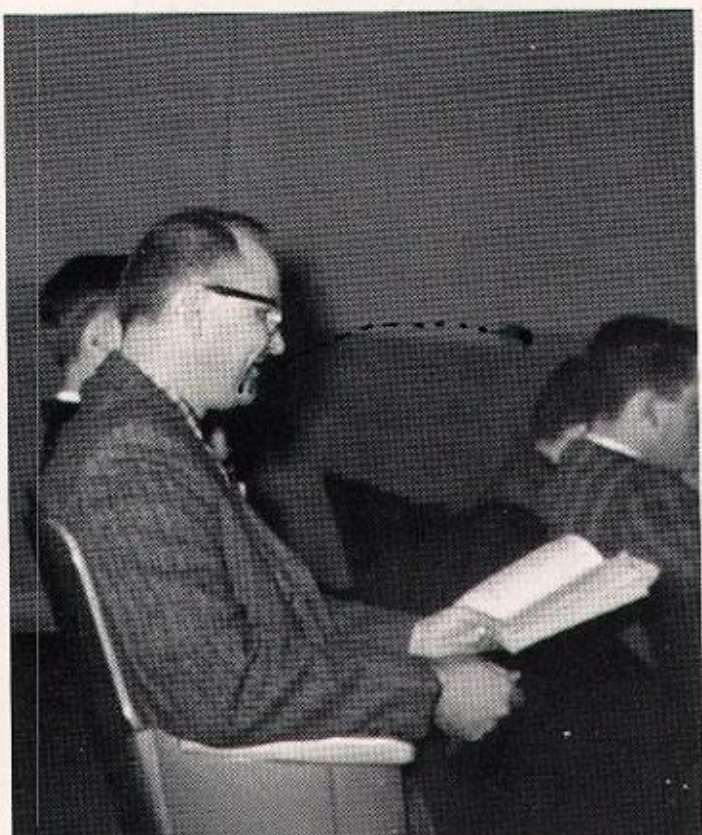

MR. GEORGE FULBRIGHT

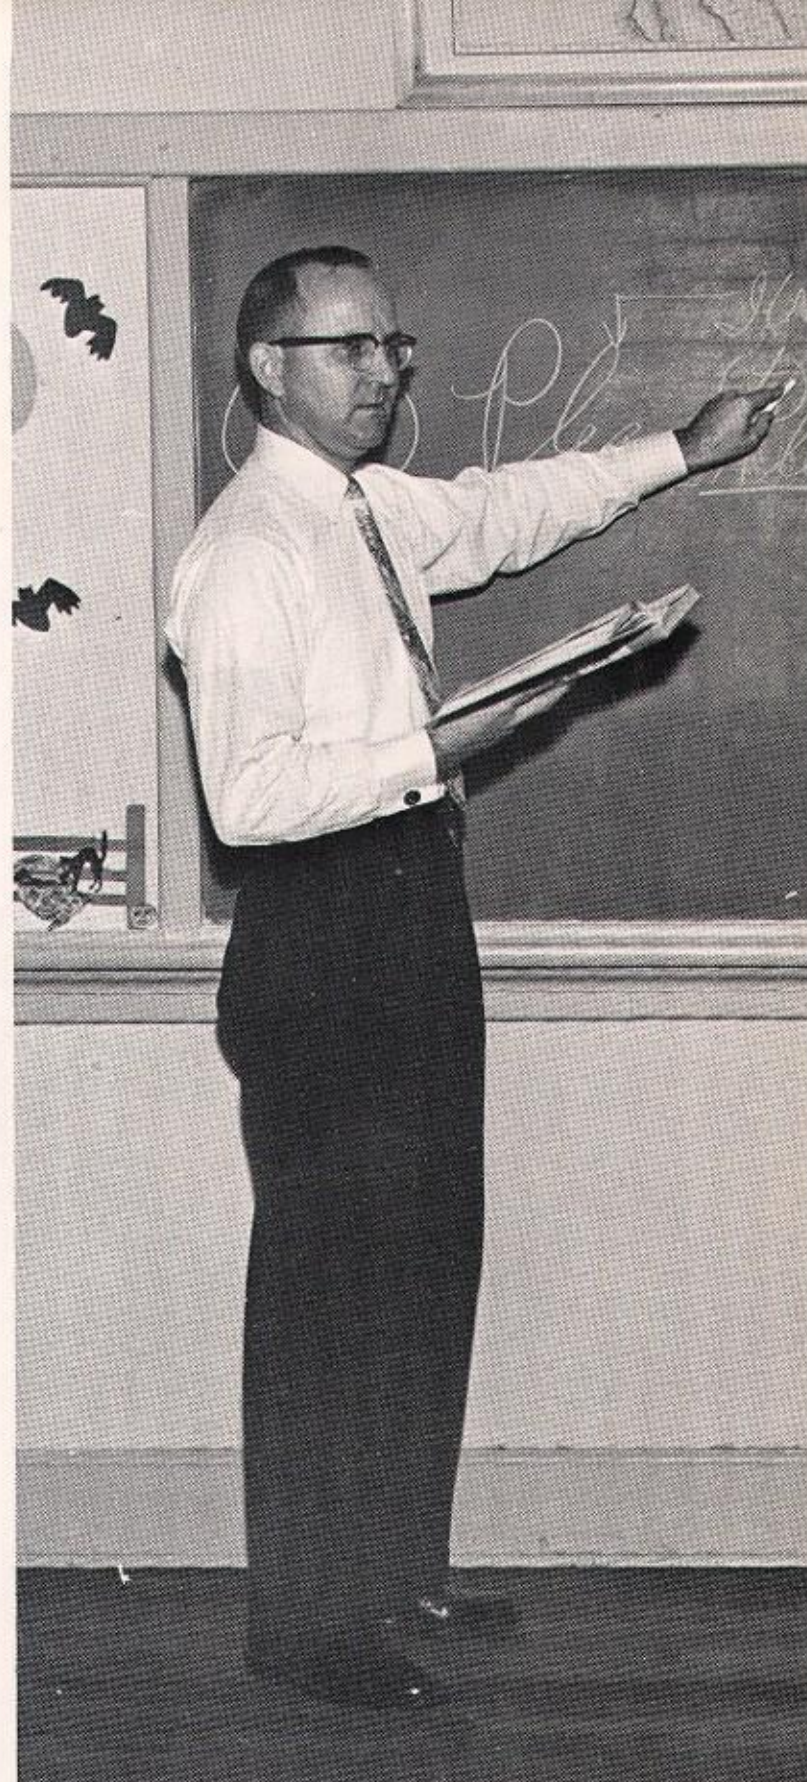

In appreciation for his guidance as our Junior and Senior sponsor, and the help he has so graciously given us, we, the Seniors of 1962, humbly dedicate the PHOENIX to Mr. George Fulbright.

We will never forget his guidance during our Junior Play.

If we can't get anything done, we'll just go home!

"Please to let Mary to go" is the only way you can do it. That's the only way it could be!

Girls, there's no need for all this confusion.

MR. M. T. HONEYCUTT
Principal

Mr. Honeycutt is a native of Stanly County, a graduate of Stanfield High School, Wingate Junior College, and Wake Forest College. While at Wake Forest College, he received his Bachelor of Science Degree. He did graduate study at the University of North Carolina.

The students, themselves, say that he has changed the school for the better.

The co-operation of the students is also needed to make a good school.

All the students appreciate his frankness and way of getting a point across without being insulting.

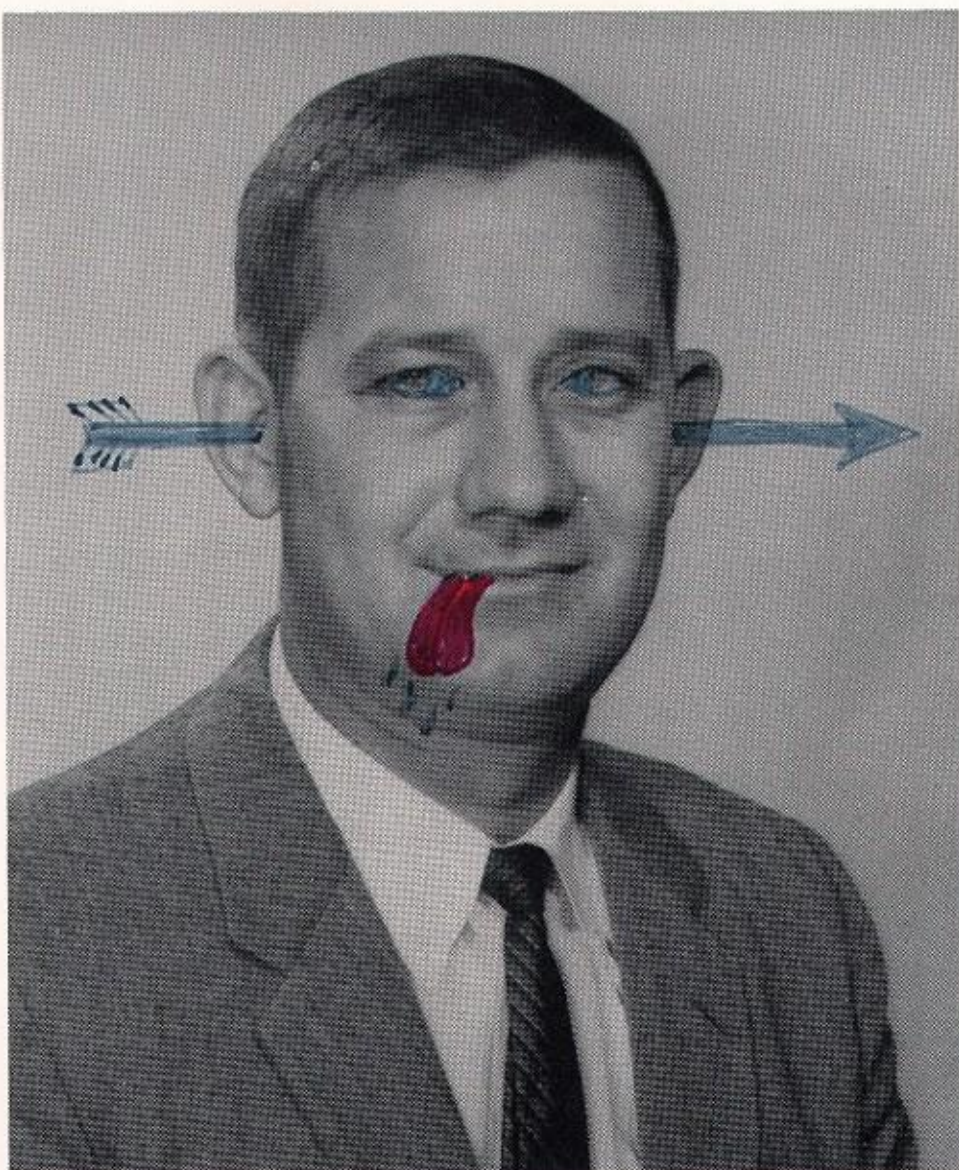

On behalf of the student body, we welcome Mr. Honeycutt to Denton High School, and we hope his stay will be as enjoyable as ours has been.

Knowledge, plus the effective use of that knowledge, will lead to a successful life. May each of us strive hard to gain knowledge, and use it effectively in service to God, our fellow man, and in making this world a better place in which to live.

M. T. Honeycutt

ENGLISH

The primary purpose of the English Department is threefold:

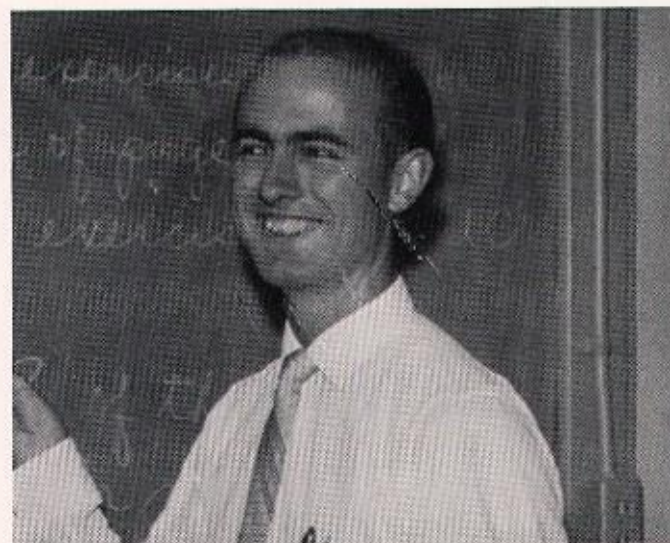

1. To help the student to form habits of clear thinking;
2. To stimulate him to greater effort in forming better speech habits;
3. To encourage him to write and speak about things within his own observation and experience.

Now Carol Jean, this is the way I want it done.

This is a good example! Hint! Hint!

These exercises are to be turned in tomorrow, or else!

MATHEMATICS

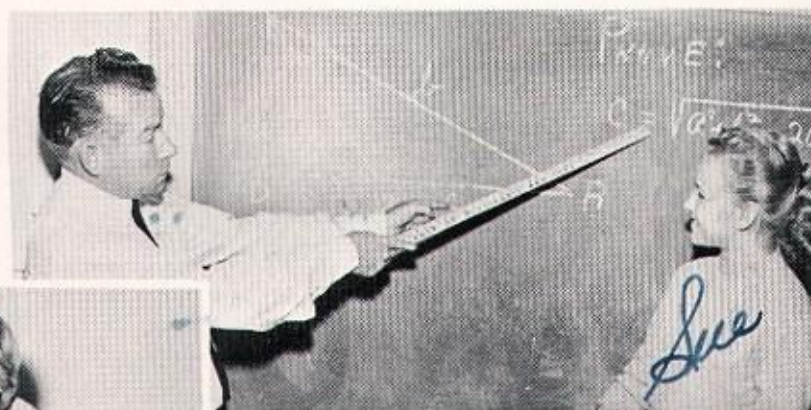

AND

SCIENCE

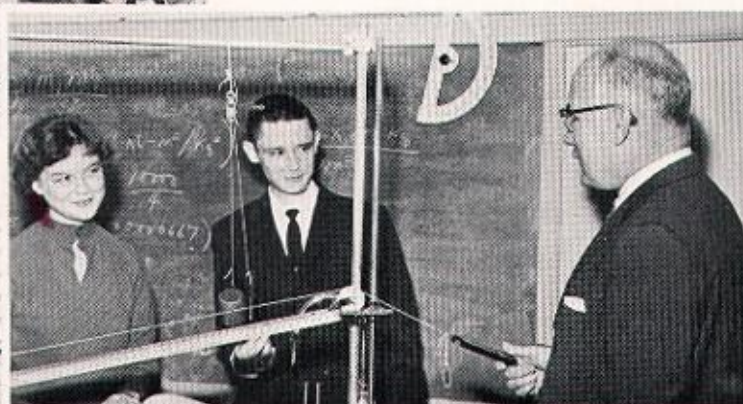

In addition to preparing students for college, the study of mathematics helps students to hold responsible positions in adult life and teaches them to think logically. Mathematics helps us to understand better our scientific world today.

Scientific facts, theories, and treatments acquaint one with the development of a scientific attitude toward life and its problems. The scientific view point will contribute to vocational efficiency, social adequacy, and worthy use of leisure.

Did you say a triangle has four sides????

Is this a cross-eyed planeria, or is this a cross-eyed planeria?

I wonder what he's talking about, really!

If the book says so, it must be right!

MR. JIM HOLLEY
Emory-Henry
E. T. State

The Social Studies Department of Denton High School offers a wide variety of subjects in this field. Students may take the following courses: geography, civics, economics and sociology, world history, and U.S. history. A student must complete two courses of social studies to be eligible for graduation.

WHAT? ME WORRY

Business education is that area of education which develops skill, attitudes, and understandings essential for the successful direction of business relationships.

It is the responsibility of business education to provide educational experience that will meet the personal business needs of all pupils as consumers and citizens.

Our French course is a two-year study of the French language for the basic fundamentals of conversational French. Pronunciation and grammar are stressed in order that the student may have the requirements for college entrance.

HOME ECONOMICS

AND

AGRICULTURE

MRS. CLAY LOFTIN
Woman's College

The homemaking program provides education for more intelligent and effective personal, family, and community living. It seeks to stimulate independent thinking and develop increased ability to make wise decisions. It develops an appreciation for homemaking and gives primary training for those who desire to enter the field of home economics.

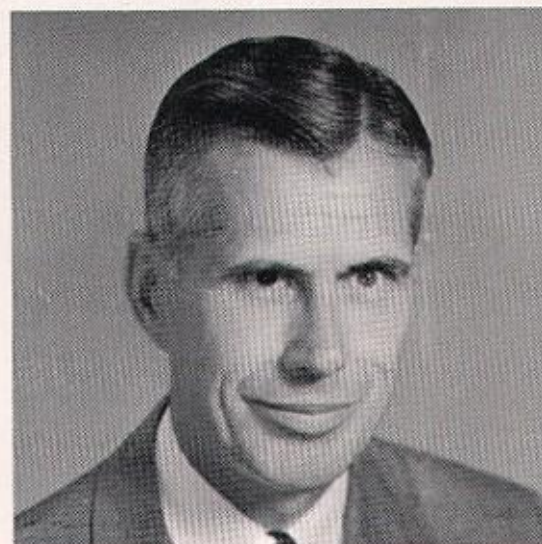

Eeny, meeny, miny, moe, where shall this little apple go?

Now, Mr. Boling, you do it like this!

Vocational Agriculture prepares students to farm and to obtain positions with distributive agencies and manufacturers of farm products and machinery.

MARSHALS

The Marshals are chosen on the basis of their scholastic achievement. They serve officially by ushering Senior parents, distributing programs, and leading Seniors to their place of honor during commencement ceremonies, such as class night, the baccalaureate service, and graduation. Banners worn by Marshals are given by the Beta Club.

MASCOTS AND SENIOR SPONSORS

JudyKim, daughter of Mr. and Mrs. G. S. Morris, will be six years old October 11. She has blonde hair and blue eyes and wants to become a nurse. Her favorite story is the "Wizzard of Oz."

Frank, a blond with blue eyes, is the son of Mr. and Mrs. James K. Holley. He will be six on April 28. Frank, an enthusiastic football fan, wants to become a professional player.

A year for the Seniors is a year full of activities, surprises, and staying up late at night. It is also a time for needed counseling and much of the credit for this goes to our Senior sponsors.

GIRLS' AND BOYS' STATE REPRESENTATIVES

The above girls and boys were selected by the Denton American Legion chapters to live and work for one week in a miniature government. Chosen on the basis of abilities and leadership, they were not only to learn, but also to have many unforgettable experiences. One day of the week was set aside to tour the highlights of our state and meet the governor and other men of importance. A person chosen for this honor is indeed fortunate.

ACTIVITIES

THE PHOENIX 1962

Martha Royal
Editor-In-Chief

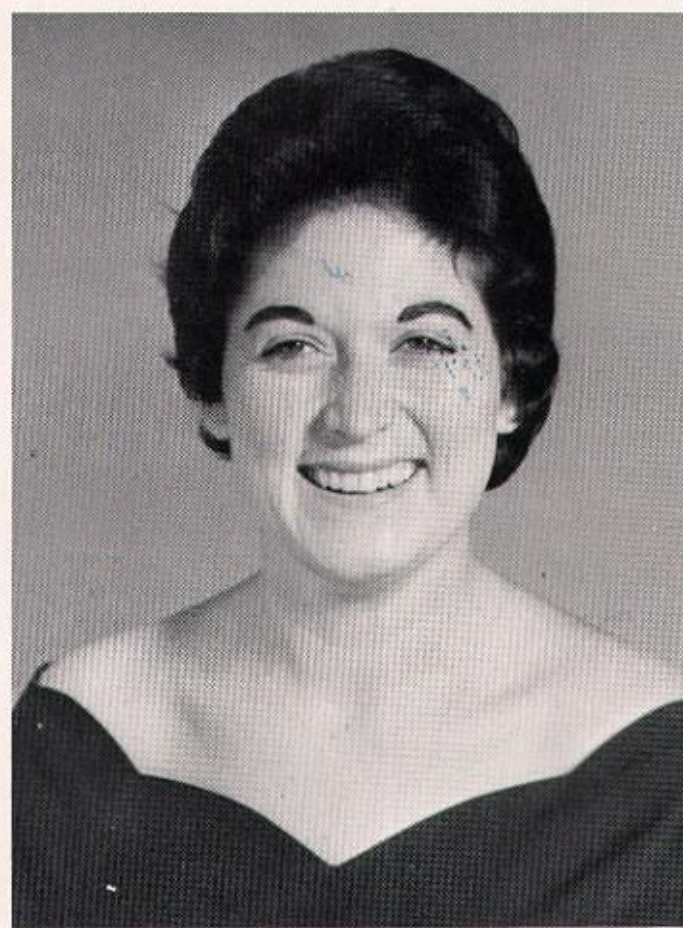

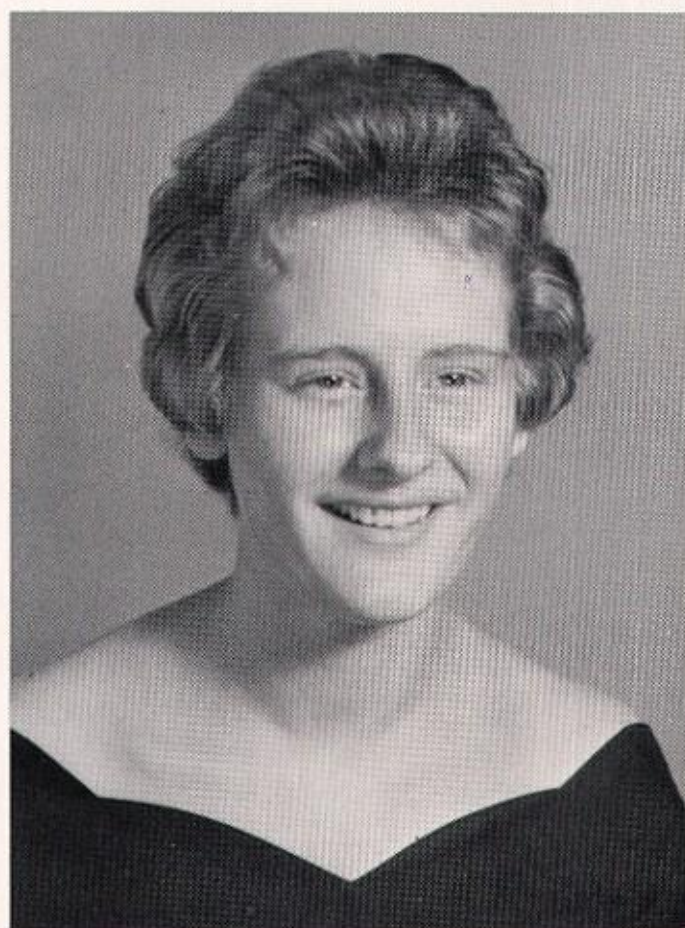

In the following pages we, the PHOENIX staff of 1962, have tried to capture the ideas that we hold dear, the memories that linger on. We have tried to change this edition of the annual as much as possible, but still retain the lasting impressions made upon us at the very beginning of school.

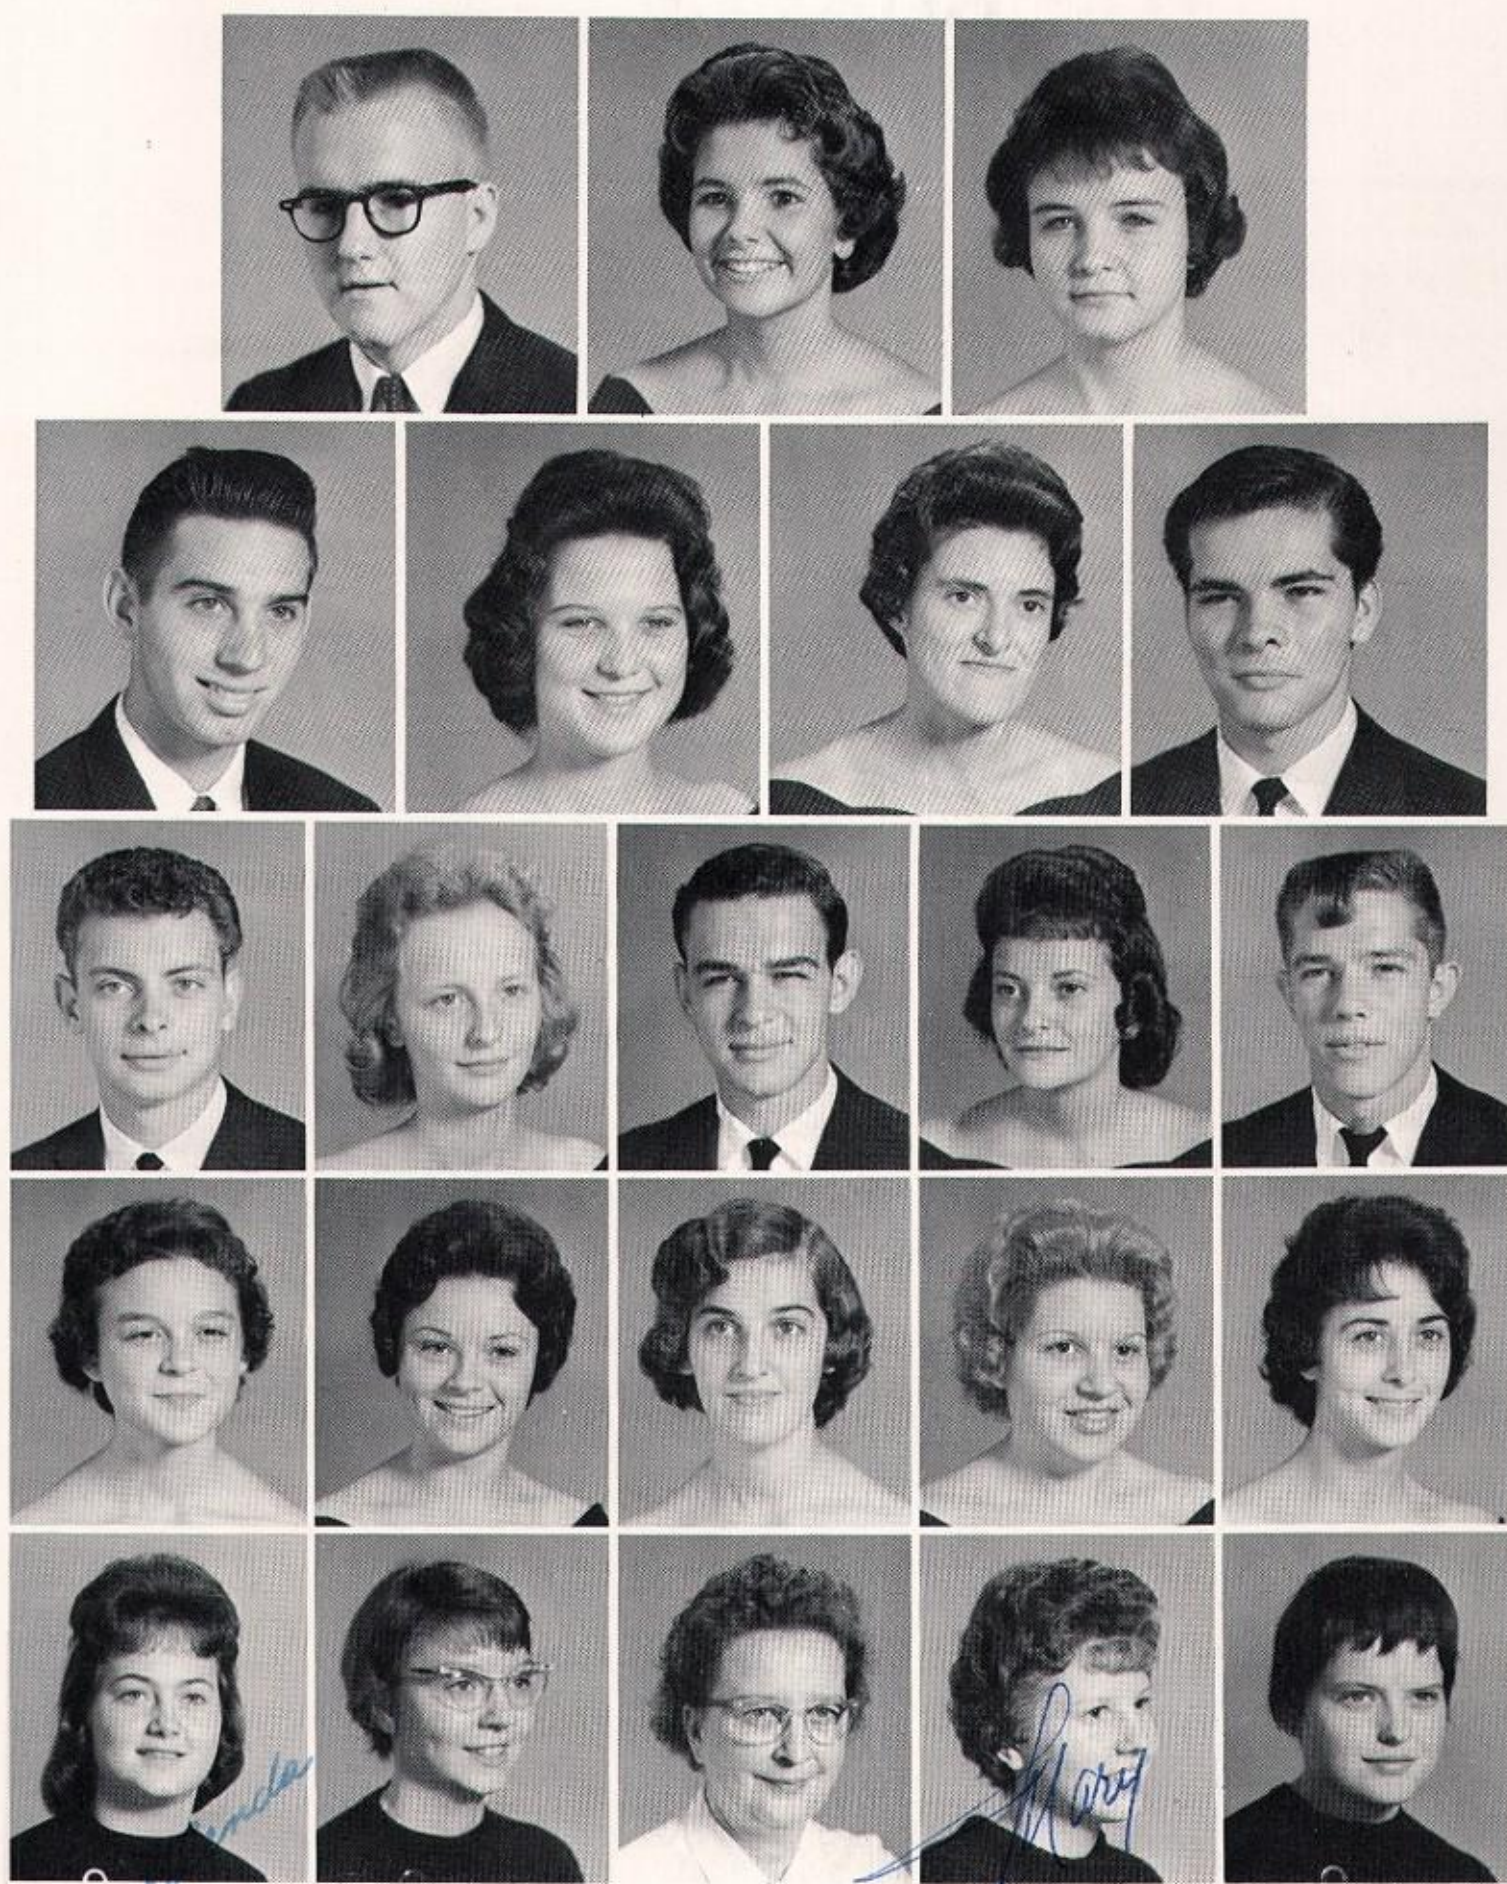

Much time and effort has been spent on the PHOENIX. We have expressed to you what we feel in our hearts, what happens to the students of Denton High School in a typical year. The activities, club meetings, ballgames, sock hops, meetings in the hall, cutting corners at lunch time, hard work, all of which go into making up the remembrances which will never be forgotten. We hope you, the students of Denton High, enjoy this annual as much as we have enjoyed editing it

BETA CLUB

OFFICERS

l. to r.: P. Harris, Vice-President; C. Edinger, Sponsor; G. Johnson, Treasurer; B. Vickers, President; F. Leonard, Secretary.

The chief aims of the Beta Club are to promote the ideals of honesty, service, and leadership among high school students, to reward meritorious achievement, and to encourage and assist students to continue their education after high school.

The club holds its meetings on the second Monday of each month.

Always helping in activities which will add to their school in either a mental or physical way, the club sends representatives to the State Beta Club Convention in the spring and, at the end of the year, gives a gift to the school.

l. to r., SEATED: G. Johnson, P. Harris, B. Vickers, F. Leonard. STANDING: M. Royal, H. Yates, G. Loflin, J. Frank, L. Skeen, L. Williams, F. Pierce, M. Hedrick, C. Lanier, F. Hill, E. Wright, D. Snider, R. Snyder, B. Smyth, G. Morris, C. Robbins, J. Carroll, L. Garner.

DENTONIAN STAFF

l. to r.: seated: S. Cody, M. Hedrick, G. Johnson, H. Nance, J. Williams, F. Hill, C. Braswell, F. Leonard, B. Vickers. FIRST ROW: J. Hill, D. Bisher, C. Robbins, D. Burr, J. Sturdivant, C. Lanier, E. Wright, R. Snyder, R. Haneline, B. Taylor, G. Loflin, T. Neal. SECOND ROW: J. Glover, D. Snider, L. Garner, S. Grubb.

The aim of the DENTONIAN staff is to print the up-to-date news of the students, faculty, and things of interest to them; to serve as a tangible link between the parents, patrons, community, and the school.

For those who do not know what it is to put out a newspaper, it means much hard work on the part of many. In doing this, one must have an experienced adviser, a patient editor, and a cooperative staff.

The newspaper comes out each month. On special occasions such as Thanksgiving, Christmas, Easter, etc., the staff puts forth an extra effort to make the paper bigger and better. At the end of the year, the staff puts out a Senior Edition. This is composed largely of the Seniors and their final activities.

The school paper records the drama of the school life and activities and is a necessary part of a good school.

Mr. Robert Clark, director.

The Denton High School Band, under the direction of Mr. Robert Clark, is considered to be one of the best bands in the state.

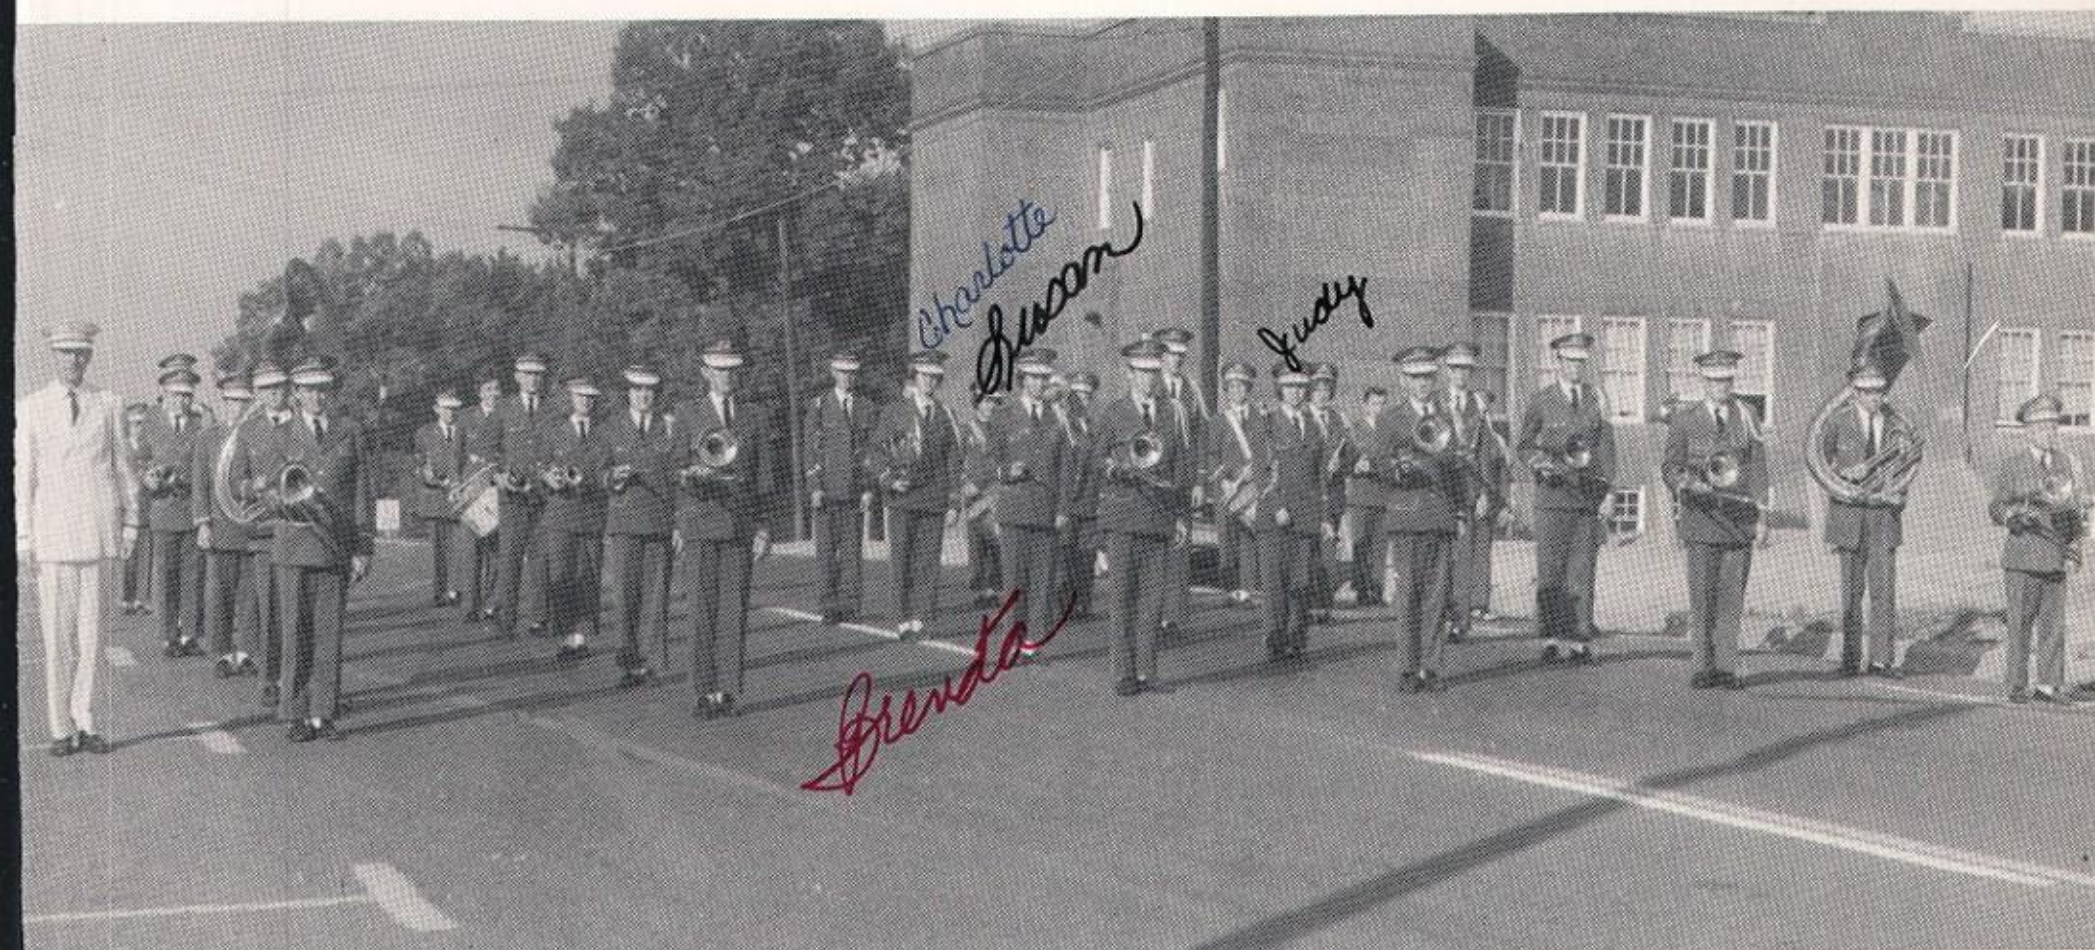

Beginning with youngsters of ten years of age, Mr. Clark teaches them the fundamentals of music. Everyone begins in the junior band and eventually progresses to the high school band.

During the year the band gives many concerts for both the school and the community. They appear in parades in various towns and participate in the district and state contests.

Eddy,
Well, its that time again, as always everyone is
signing annuals. I know (know) now how all you'll
felt last year. I'll never get all my insects and things. Well, that's
enough talk about school.

We've really had fun in school together all
the years, especially the parties and
those "Trips to White Lake". We ~~had~~ really
had fun over at your house last summer
playing ping pong and remember what fun
we had sliding.

EDITORS AT WORK!?

We, the editors of the 1962 PHOENIX, wish to express our gratitude to those who have contributed to the edition and publication of this yearbook.

First of all, our thanks go to our Senior sponsors, Mrs. Margaret Baker and Mr. George Fulbright, and to our principal, Mr. M. T. Honeycutt, for their untiring efforts to help us when we needed them.

Many problems and difficulties arise in the editing of an annual, and without the experience and guidance of Mr. Don Bills, our yearbook representative, our rough spots would never have been smoothed out.

If it had not been for the merchants who so willingly supported us through their advertisement, it would have been impossible to finance our annual.

Most of all, we would like to express our gratitude to you, the purchaser of this annual, for your support.
